

19. The promoters or managers of any institution by whom application for a grant is made shall appoint a Secretary to conduct their correspondence with the Board.

20. The Board shall not make a grant to any school, other than training schools, night-schools for adults, technical schools, and schools for aborigines and low castes, that does not require a monthly fee, however small, from all its scholars, except such as may be exempted in accordance with a scale to be approved by the Director of Public Instruction. Provided that this rule shall not apply to such scholarship-holders as receive free tuition in accordance with the rules prescribed by Government.

21. Grants-in-aid shall be given on the principle of strict religious neutrality, and no preference shall be shown to any school on the ground that any particular religious doctrines are taught or not taught therein.

22. Should the Inspector discover that the instruction or discipline in any school aided by the Board is not efficient, or that the accounts are not properly kept, or that any of the conditions on which the grant was made are not observed, or should he be in any other way dissatisfied with the management of the school, he shall report the matter to the Board, which shall then take such action as may be necessary.

23. Should the Board on such reference omit to take the necessary action, the Inspector may move the Commissioner to take action under section 125 of the Act. If the Commissioner declines to take action, the Inspector may refer the matter for the orders of Government through the Director of Public Instruction.

24. The managers of schools receiving grants-in-aid from the Board shall be responsible for the due expenditure of the school funds in accordance with the conditions of the grant.

25. The Board shall interfere as little as possible with the local management of a school receiving a grant-in-aid. If the conditions of the grant are not fulfilled, the grant may be reduced or withdrawn by the Board.

26. The Board shall notify to the Inspector all grants suspended or withdrawn, or renewed without alteration, or reduced, or increased, and all schools opened or closed. It shall be competent to the Inspector to make recommendations in such matters to the Board, and the Board shall take such recommendations into consideration.

27. Grants shall in no case exceed in amount the sums to be expended from private sources, except in special cases under special orders of Government.

Monthly Grants.

28. For middle schools, in which the expenditure is more than Rs. 40 a month, the grants shall not exceed two-thirds of the income guaranteed from private sources, except in the places mentioned below, in which the grants may equal the income guaranteed from private sources:—

<i>Divisions.</i>	<i>Sub-division.</i>
Patna. Bhagalpur. Chittagong. Orissa.	The island of Dakshin Shabazpore in Backergunge.
	<i>Thanas.</i>
	Khatra Raipore Simlapal
	... } In Bankura. ... } ... }
<i>Districts.</i>	
Birbhum. Mymensingh. Bogra. Dinajpur. Rangpur. Jalpaiguri.	

29. For middle schools in which the expenditure does not exceed Rs. 40 a month, as well as for primary schools, training schools, night schools for adults, technical schools, and schools for aborigines and low castes, the grants may equal the amount guaranteed from private sources.

30. For the purposes of rules 28 and 29, municipal contributions shall be reckoned as receipts from public sources.

31. In respect of any school for which application for a grant is made, full information shall be supplied on the following points, and shall be thrown into the shape given in form A appended to these rules:—

- The pecuniary resources, permanent and temporary, on which the school will depend for support.
- The proposed monthly expenditure in detail.
- The average number of pupils to be instructed.
- The persons who are to form the Committee of Management.
- The class of school and course of instruction; the selection to be made from classes and standards recognized by the Department.

- (f) The number and salaries of the teachers in detail.
- (g) The fees to be charged in each class.
- (h) The amount of aid sought.
- (i) The existence of other schools of all classes within a distance of four miles.

32. In disposing of an application for a grant-in-aid, the Board shall consider whether the school supplies a want in the locality; whether the teaching staff is competent and adequate; how far its resources, inclusive of fees, are adequate to meet its necessary expenditure; whether the fees charged are reasonable; and whether the funds at the disposal of the Board are sufficient to meet the application.

33. The Board may, for reasonable cause to be duly recorded, either sanction the grant in whole or in part, or refuse it altogether. The Board shall send a copy of its order to the Inspector, and another to the applicant.

34. The sanction to a grant shall be conveyed in Form B, appended to these rules, and on the conditions therein stated.

35. When a grant is sanctioned, the managers shall forward to the Board an agreement on stamped paper to the effect that they will conduct the school in accordance with the conditions of the grant.

36. Grants shall ordinarily be sanctioned for a period of three years, but the Board may, at any time during its currency, for reasons specified in writing, revise a grant. Against such a revision the same procedure shall be observed as is laid down in rule 18.

37. A grant shall ordinarily be reduced on renewal, when this can be done without serious loss of efficiency. Notice of any proposed reduction shall in all cases be given to the managers, who shall be allowed an opportunity of stating any objection that they may have to the reduction. Against any reduction that the Board may make, the same procedure shall be observed as is laid down in rule 18.

38. Leave to teachers of aided schools shall be granted by the managers in accordance with the rules of the Department. Notice of any leave given by the managers to the teachers shall be forwarded to the Board with the next grant-in-aid bill; and the Board may make any objection to the leave. In any such case, the decision of the Inspector shall be final. A monthly statement of the leave granted to aided school teachers drawing Rs. 20 a month and upwards should be forwarded to the Inspector by the Board.

39. The managers of a school shall fix the list of holidays to be observed in the school, subject ordinarily to the limitation of 60 days, exclusive of Sundays. They shall submit the list to the Board not later than the 1st of December next preceding the year for which the list is intended. The Board shall forward copies of the lists of holidays for all schools in the district to the Deputy Inspector on or before the 1st January.

Special Grants.

40. Grants may be given to managers of schools in aid—

- (a) of erecting, enlarging, or furnishing school buildings;
- (b) of executing extensive repairs; and
- (c) in special cases, of paying off debts incurred in erecting or enlarging school buildings.

[NOTE.—Expenditure in the purchase of buildings shall be treated as expenditure in the erection of buildings.]
 Note (a) Grants will ordinarily be given only for projects to create new means of education, or to extend existing means.
 Note (b) The sum of Rs. 10,000 is fixed as ordinarily the maximum grant for any one undertaking or project.

41. Except in the case provided in the foregoing rule, no grant shall be made in consideration of former expenditure on school buildings.

42. No building grant shall be sanctioned unless the site, plans, estimates, specifications, title and trust-deeds are approved by the Inspector.

43. The trust-deed shall declare the building to be granted in trust for school purposes only. It shall also provide for the legal ownership of the premises, for the proper maintenance of the building, and for the inspection and management of the school.

[NOTE.—This rule does not preclude the managers from using the building for other purposes when not required for the purposes of the school.]

44. No grant shall be finally sanctioned until a certificate is received from the managers, setting forth that the funds in their hands will, when added to the grant, be sufficient to meet all claims and to close the account.

45. Advances shall be made from time to time out of the sanctioned grant, on receipt of a report from the Board's Engineer that the work is proceeding satisfactorily.

46. The grant shall not be paid in full until—

- (1) a report is received from the Board's Engineer that the building is satisfactorily completed;
- (2) the trust-deed is duly registered and a copy lodged with the Board.

47. If the total amount of the building grant does not exceed Rs. 500, and the building is, in the opinion of the Inspector, of such a description that it is not worth while requiring the execution of a trust-deed, the Board shall accept from the managers a written agreement on stamped paper engaging to maintain the building in proper repair for ten years.

48. Loans may also be made to managers of schools for the erection of school buildings. The amount of such loans shall generally be limited to the amount of any grant claimable under rules 28 and 29. The building shall be mortgaged to the Board as a guarantee for the repayment of the loan, and a term shall be fixed within which the loan is to be repaid. Interest at a rate not exceeding 4 per cent. may, if necessary, be charged.

SECTION IV.—(C) *Primary schools under private management receiving stipends or earning rewards from a Board.*

49. The Board shall not interfere in the local management of primary schools not directly managed and maintained by it.

50. Primary schools receiving aid from a Board may receive it in the form of fixed stipends or of payment by results. It shall be the general policy of the Board to replace the system of fixed stipends by that of payment-by-results, except in backward parts of the district, and in schools for aborigines or low-castes, girls' schools, and night schools for adults. No addition shall be made to the list of stipendiary schools without the sanction of the Director of Public Instruction.

51. The Board shall, in consultation with the Inspector, determine the rates of stipends payable to teachers of stipendiary schools, in accordance with rules prescribed from time to time by the Director of Public Instruction.

52. The Board shall be liable for the payment of the stipends of such stipendiary teachers of primary school as are sent under its orders for instruction in training schools.

53. The Board shall grant rewards to teachers and pupils of other primary schools within the district on the result of periodical examinations, and in accordance with rules prescribed or approved from time to time by the Director of Public Instruction:

Provided—

(1) that no rewards shall be given under the rules in this Section to teachers of schools directly managed by a Board, or of those schools receiving grants-in-aid under Section III;

(2) that rewards to pupils, other than girls, shall not be given in money, but only in books, maps, or other articles that may be useful to them in prosecuting their studies. Books given as rewards shall be chosen from a list approved by the Director of Public Instruction.

54. Arrangements for such examinations, including the appointment of examiners where necessary, shall be made by the Board in consultation with the Deputy Inspector.

55. All payments and rewards to teachers and pupils, to be granted on the result of such examinations, shall be sanctioned by the Board on the report of the Sub-Inspector, confirmed by the Deputy Inspector.

56. Primary schools shall be regularly inspected *in situ*.

SECTION V.—(D). *Other schools.*

57. The Lieutenant-Governor may, with the consent of the District Board, transfer to its control any schools or class of schools under public management other than those specified in Section II.

58. The District Board may, with the sanction of the Lieutenant-Governor to be obtained through the Director of Public Instruction, establish schools of technical instruction to be maintained from the District Fund.

59. With regard to the schools referred to in the two preceding rules, the Board shall have the powers specified in Section II.

SECTION VI.—*Local Boards.*

60. Whenever a District Board shall, with the sanction of the Lieutenant-Governor under section 101 of the Act, transfer the management, control, or supervision of any school or schools to a Local Board, the provisions contained in the foregoing rules shall be generally applicable to such Local Board; provided that the District Board shall, in all cases, have a general power of supervision and control over such Local Board.

SECTION VII.—*Union Committees.*

61. As regards primary education, the powers conferred on District and Local Boards by the foregoing rules shall be subject to the powers entrusted to Union Committees by section 112 of the Act.

62. In their dealings with primary schools, Union Committees shall be guided by the same general rules as are laid down for the guidance of District and Local Boards.

63. Every primary school under public management, with the maintenance and management of which a Union Committee shall be charged under section 112* of the Act, shall be called a Union school.

* Section 112 of the Bengal Local Self-Government Act:—

"Subject to any rules made by the Lieutenant-Governor under this Act, every Union Committee shall be charged with, and be responsible for, the maintenance and management of all primary schools within the Union, the appointment of the gurus of such schools, and the transmission to such gurus of any rewards that may be granted by the District Board or Local Boards."

64. Subject to the general control of the Department, every Union Committee shall have the power within the Union—

- (1) of determining the places at which Union schools shall be opened;
- (2) of transferring or closing existing Union schools;
- (3) of fixing the class and standard of instruction of every such school: the selection to be made from classes recognised by the Department;
- (3) of fixing (subject to section 86 of the Act) the salary of the guru of every such school, and of removing or transferring him within the Union;
- (5) of fixing the rate of monthly, admission, or re-admission fees payable by the pupils of every such school.

65. Every Union school shall be liable to inspection and examination by the officers named in rule 4.

66. Nothing in these rules shall preclude the establishment and maintenance of primary schools within the Union by private persons or associations; and the teachers of all such schools may, with the sanction of the Union Committee, present their pupils at all examinations for rewards and grants payable by the District or Local Board to the teachers and pupils of primary schools. It shall be the duty of the Union Committee to direct the teachers of such schools to attend with their pupils at any other examinations and gatherings that may be from time to time ordered by the District or Local Board or by the Deputy Inspector.

SECTION VIII.—Finance.

67. The educational budget estimates of the District Board shall be prepared, in Form E appended to these rules, by the Deputy Inspector in consultation with the Inspector. The Deputy Inspector shall submit them to the Board on or before the 1st September in the year immediately preceding that for which they are framed. The budget estimates, as approved by the Board, shall be forwarded by the Board in triplicate to the Magistrate on or before the 15th September, who shall forward one copy to the Director of Public Instruction. The Director of Public Instruction shall forward his remarks on the estimates to the Commissioner on or before the 15th October. A copy of the estimates as finally sanctioned shall be forwarded by the Commissioner to the Director of Public Instruction and by the Board to the Inspector.

68. The procedure laid down in the last preceding rule shall be observed in every case when the budget estimate is amended or revised at any time by the Board under section 49 of the Act.

69. No transfer of funds shall be made from the major head 'Education' to any other head, or from one minor head subordinate to Education to another without the sanction of the Commissioner, who shall give notice of any such transfer to the Director of Public Instruction.

70. The unspent balance of the allotment made in any year for educational purposes shall not be subsequently transferred to any purpose other than education without the consent of the Commissioner.

SECTION IX.—Examinations and Scholarships.

71. The Lower Primary Scholarship Examination shall be conducted in the books and subjects prescribed from time to time by the Department, and, unless otherwise ordered by the Department, in the same question papers for all the Scheduled Districts of one Division. The papers shall be set by Deputy Inspectors or other officers selected by the Inspector, who shall forward printed copies in sufficient numbers to the several District Boards, for distribution to the Local Centres of examination in each district. The answers shall be examined by Examiners appointed for each District by the District Board. The supervision of the Examination at the different Local Centres shall be conducted by persons appointed for the purpose at each centre of the District Board. These supervising officers will also conduct the viva voce examination of the candidates at their respective centres. They will forward the answer papers, as may be directed, to the several examiners, and will send the results of the viva voce examination to the District Board. The examiners for the written examination will also forward the results to the Board. Finally the results of the examination shall be tabulated and declared by the Board. The cost of the examination shall be charged to the District Board, but the District Board will be at liberty to levy a moderate fee for admission to the examination.

72. The District Board shall admit to the lower primary scholarship examination pupils of all primary schools in the district situated in areas whether within or outside its control, and all such pupils shall be equally eligible for scholarships: provided that a candidate who has once passed the examination shall not be admitted to it a second time. No candidate shall be admitted to the Upper Primary Examination unless he has previously passed the Lower Primary Examination. Pupils of the lower-classes of middle schools may also, at the discretion of the Board, be admitted to the examination, but shall not be eligible for scholarships.

73. All lower primary scholarships shall be awarded by the District Board in consultation with the Deputy Inspector. No candidate who has completed the age of 11 years shall be eligible for a scholarship, and not more than one scholarship shall be awarded to the same school in any one year. In the award of scholarships attention should be paid to the

encouragement of schools in backward parts of the district. Should a difference of opinion arise between the Board and the Deputy Inspector regarding the award of scholarships, the Inspector may, if he thinks fit, report the matter to the Commissioner for decision.

74. In awarding the lower primary scholarships under the preceding rules, the Board shall be guided by the rules in force in the Department, or sanctioned from time to time by the Government.

75. The upper primary and middle scholarship examinations shall be conducted by the Inspector, and the scholarships shall be awarded by him. The Boards' Sub-Inspectors shall assist the officers of the Department in conducting the examinations. The cost of the examinations shall be borne by the Department.

76. It shall be competent to a District Board, before the award of upper primary and middle scholarships, to make representations to the Inspector in favour of particular schools or tracts which it may deem deserving of special encouragement on account of their less advanced state, or for other reasons, and the Inspector shall take such representations into consideration.

77. The Board shall be furnished annually by the Inspector with an abstract of the results of the upper primary and middle scholarship examinations regarding the schools with which the Board is concerned.

SECTION X.—*Sub-Inspectors.*

78. Sub-Inspectors shall be appointed by the Board in accordance with the rules from time to time sanctioned by the Government, the appointment being notified to the Inspector in each case. Leave may be granted to Sub-Inspectors by the Board in accordance with the rules made by it under section 34 of the Act, the fact being at the same time communicated to the Inspector. The Board shall be competent to make its own arrangements for allowances to acting officers.

79. The Board shall notify to the Inspector all appointments of Sub-Inspectors, whether permanent or temporary.

80. Sub-Inspectors shall be allowed travelling charges not exceeding those admissible under the rules of the Civil Service Regulations.

81. Sub-Inspectors shall submit their diaries to the Deputy Inspector, who shall forward them with his remarks to the Board. They shall also forward to the Deputy Inspector, before leaving head-quarters, the programme of each tour they intend to make, any subsequent change in it being promptly communicated to the Deputy Inspector.

82. Sub-Inspectors shall submit all applications for leave, including casual leave, to the District Board through the Deputy Inspector. In cases of urgency when the Deputy Inspector is absent from head-quarters, the application may be submitted directly to the Board.

83. The salary and travelling bills of Sub-Inspectors shall be submitted through the Deputy Inspector to the Board, with whom shall rest the power of passing them. The Deputy Inspector shall scrutinise the bills and submit his remarks thereon for the consideration of the Board.

84. The Board shall be competent to transfer a Sub-Inspector from one part of the district to another.

85. The Director of Public Instruction shall be competent to transfer from one district to another Sub-Inspectors whose services have been or may be transferred from the Department to a District Board. In such cases the transit pay and travelling allowances of each Sub-Inspector shall be paid by the Board of the district to which he is transferred.

86. Sub-Inspectors, whose services have been or may be transferred from the Department to a District Board, will be eligible for promotion in the graded list of the Department. The promotions of such transferred officers from class to class will be made by the Director of Public Instruction.

87. Sub-Inspectors, who at the time of their transfer to District Boards were or may be rendering qualifying service under the Civil Service Regulations, will continue to render qualifying service after their transfer.

88. The Board shall, in consultation with the Deputy Inspector, fix the scale of payments to be made to chief gurus and inspecting pandits employed to inspect primary schools within the district. Should a difference of opinion arise between the Board and the Deputy Inspector regarding the scale of payments, the Inspector may, if he thinks fit, refer the matter to the Commissioner for decision. The appointment, punishment, transfer, or removal of chief gurus and inspecting pandits shall rest with the Board.

89. The primary duties of Sub-Inspectors shall be to inspect schools; and no other duties shall be laid upon them by the Board without the sanction of Government. Application for such sanction shall be forwarded to the Director of Public Instruction through the Inspector.

SECTION XI.—*Miscellaneous.*

90. The Board shall forward copies of all its educational proceedings to the Inspector, who shall be competent to make observations thereon for the consideration of the Board.

91. A quarterly statement of all payments made for educational purposes within the district, on the authority of the Board, shall be forwarded by the Board to the Inspector, in form F appended to these rules.

92. The Deputy Inspector shall forward to the Board for its information a copy of so much of the quarterly return of his inspection of schools as has reference to schools over which the Board has any control.

93. At the close of every financial year, on such date as may be prescribed by the Department, the Board shall furnish to the Deputy Inspector such educational returns as may from time to time be required by the Department. Any assistance that the Inspector or the Deputy Inspector may require in compiling the returns shall be furnished by the Sub-Inspectors under the Board. The Board shall also submit to the Magistrate, within the time prescribed by the Department, a report of its educational operations. It shall contain such particulars as may from time to time be required by the Department. The Magistrate shall, on or before the 1st May, forward the Board's report to the Inspector, who shall submit it to the Director of Public Instruction with his remarks, together with his own report on education in the circle under his charge.

94. Should a difference of opinion arise between the Board and the Inspector in cases not provided for in these rules, on any question connected with schools and officers under the Board, the question shall be referred either by the Inspector or by the Board, through the Magistrate, to the Commissioner. The Commissioner's orders on such reference shall be final as between the Inspector and the Board, unless a question of principle be involved, in which case, if the Inspector be dissatisfied with the Commissioner's orders, he may refer the matter to Government through the Director of Public Instruction.

95. Correspondence between a District Board and the Director of Public Instruction shall pass through the Inspector except in cases otherwise provided for. In matters of exceptional importance, or where more than one district is concerned, such correspondence shall be carried on through the Commissioner.

2. The Treasurer shall hold the Trust Fund and the income thereof upon the trusts, and with and subject to the powers and provisions hereinafter set forth concerning the same.

3. The Trust Fund shall be designated the "deSouza Charitable Fund."

4. Subject to the provisions of this scheme, the Treasurer shall out of the annual income of the Pension Fund pay and discharge all trust expenses, and subject thereto shall pay such income and shall also pay the annual income of the Management Fund to the Managers or to their treasurer or other proper officer for the time being on their behalf by half-yearly payments, which shall, as nearly as practicable, be of equal amount, and shall be made on the 31st day of May and the 30th day of November in each year (the first of such yearly payments to be made on the 30th day of November next) to the intent, and so that all such income shall be applied by the Managers in the manner and for the purposes hereinafter mentioned.

The annual income of the Pension and Management Funds to be paid half-yearly to the Managers.

5. All income arising from the Pension Fund and paid to the Managers under the provisions of this scheme shall be applied by them in accordance with the following provisions; that is to say,—

Mode in which Managers are to apply income of Pension Fund.

(a) In the first place, the Managers shall pay out of the said income to each of the persons whose names, addresses and descriptions are set forth in the first and second columns of the schedule hereto (such persons being hereinafter referred to as "the original pensioners") a pension of such an amount and payable at such times as is shown by the particulars set opposite the name of such original pensioner in the third column of the said schedule during his life, or until he shall in the opinion of the Managers have been guilty of such misconduct as to disentitle him to receive such pension, or until he assigns or charge or attempt to assign or charge the same or any part thereof, or until the happening of any other event whereby such pension or any part thereof, if belonging absolutely to him, would become vested in or payable to some other person and not be applicable for the personal benefit of such pensioner, or until the circumstances of such pensioner shall for any reason have so changed as in the opinion of the Managers to render it inexpedient that he should any longer receive his said pension, so that such pension shall cease to be payable upon the happening of such of the said events as shall first happen.

Events upon which the original pensions are to determine.

(b) If and so often as the pension payable to any married original pensioner hereunder shall cease to be payable either by reason of his death or during his lifetime by the happening of any event other than his misconduct, then the Managers shall (unless in their discretion they deem it inexpedient so to do) pay to the wife or husband of such pensioner (as the case may be) a pension of such amount not exceeding the amount of the pension payable to such original pensioner as the Managers may think fit during the life of such wife or husband, or during such shorter period or periods, either continuous or discontinuous, and upon and subject to such terms and conditions as the Managers may deem proper.

As to continuing pensions to wives or husbands of original pensioners.

(c) So much of the said income arising from the Pension Fund as from time to time shall not, in the opinion of the Managers, be required for the payment of any of the pensions mentioned in either of the two last preceding sub-sections shall from time to time be applied by the Managers in payment of pensions or allowances to such persons for the time being resident in Calcutta, and being of any Christian religion as may from time to time be selected by the Managers. Every such pension or allowance shall be of such amount (not exceeding in the case of any one person the sum of Rs. 25 per month) as the Managers may from time to time determine, and may be made payable during the life of the recipient thereof, or during such shorter period or periods, either continuous or discontinuous, and determinable on such events, and be subject to such conditions as the Managers may in each case deem expedient. In this sub-section the expression "Calcutta" shall mean and include every place situate within the town of Calcutta, or the suburbs adjacent thereto (including Howrah); and in selecting pensioners under the provisions of this scheme, the Managers shall as far as practicable give a preference to such persons as the Managers may consider to be East Indians or of European parentage, and permanently domiciled in Calcutta. Provided that the Managers shall not be bound to make any pension or allowance determinable upon the recipient thereof ceasing to reside in Calcutta, or to cease to pay any pension or allowance upon the recipient thereof ceasing to so reside.

As to payment of other pensions and allowances.

(d) If and so often as any pensioner (whether original or otherwise) shall by reason of bodily or mental ill-health be, in the opinion of the Managers, incapable of receiving his pension or allowance, the Managers may pay the same or any part thereof to such person on his behalf as they may think fit without being bound to see to the application thereof, or being responsible for the misapplication thereof, or they may themselves apply all or any part of such pension or allowance in such manner as they may consider to be for the benefit of such pensioner.

As to payments to or for the benefit of incapacitated pensioners.

(e) The Managers shall at all times keep proper books, and shall cause to be entered therein the names, addresses, and descriptions of all the recipients of pensions or allowances under this scheme, and the respective amounts of such pensions and allowances, and also accounts of all monies received and expended by the Managers under this scheme, and all other matters likely to be useful for or in connection with the administration of the trusts hereof, or which may from time to time be required by the Government of Bengal to be entered in such books, and the Government of Bengal and any person appointed by them shall at all reasonable times have access to all such books and be at liberty to inspect the same and take copies or extracts therefrom.

Books to be kept by Managers.

(f) The Managers shall also at all times, both during their tenure of office and after the determination thereof, furnish to the Government of Bengal or any person appointed by such Government all such information as the Government may require in relation to the trusts hereof, or the administration thereof, or any other matters in any wise connected therewith.

Managers to give information to the Government of Bengal.

(g) The Managers may from time to time make such rules and regulations (not being inconsistent with the terms of this scheme) as they may think fit with reference to the management of the income of the Trust Fund and the mode of payment of any pensions or allowances hereunder, and otherwise in connection with the administration of the trusts of this scheme, and may from time to time alter or vary the same in such manner as they may deem expedient, provided that all such rules and regulations and all alterations and variations thereof shall as soon as practicable after the making thereof be submitted to the Government of Bengal, and any rule or regulation, whether original or altered, or varied, which that Government shall consider improper or undesirable shall be forthwith cancelled.

6. All income arising from the Management Fund shall be applied by the Managers in payment of the expenses incurred by them in connection with the duties imposed on them by sub-section (e) of the last preceding clause hereof, and so that for the purposes of such duties the Managers may from time to time employ an accountant or clerk upon such terms as they may think fit, provided that the salary for the time being payable to any such accountant or clerk shall not exceed the income for the time being of the Management Fund.

Mode in which Managers are to apply income of Management Fund.

7. The receipt in writing of the person acting as treasurer to or other proper officer for the time being of the Managers shall be a good discharge to the Treasurer for all monies paid to the Managers under the provisions of this scheme, and the Treasurer shall not be in any wise responsible for the misapplication or non-application of any such monies or be bound to see whether such monies or any of them are being applied in accordance with the provisions of this scheme.

Receipt of the treasurer or proper officer of the Managers to be good discharge for income, and Treasurer not to be liable for misapplication.

8. The Treasurer may either permit the Trust Fund or any part thereof to remain in the state of investments in which it may be when the vesting order is made, or may, under direction of the Government of Bengal as provided in section 10 of Act VI of 1890, vary or transpose such investment or any future investments representing the Trust Fund or any part thereof into or for any other investment in which trust funds may for the time being be authorised by the law for the time being in force in India or in England to be invested. Provided that, notwithstanding any change of investments, the Pension Fund and the Management Fund shall, as far as practicable, be kept separate.

Investment clause.

9. In case any preferential right to take or subscribe for any new or other funds, shares, stock or securities shall be offered to the treasurer, as holder of the Pension Fund or of the Management Fund, the Treasurer may, under such direction as aforesaid, dispose of or transfer any such new funds, shares, stock or securities or the title thereto in such manner as he may be directed, and every premium or profit arising therefrom shall, as well as all interest, dividends, bonuses or other advantages payable or receivable in respect of the Pension Fund or the Management Fund, be treated as income of the fund in respect of which it shall be payable or receivable.

How allotments of new stock, &c., are to be dealt with.

10. Every Association who shall for the time being be Managers under this scheme shall hold their office until—

Duration and termination of; office of Managers.

- (a) they shall be dissolved, or
- (b) they shall, by giving notice in writing to the Government of Bengal, resign their office, or
- (c) the Government of Bengal shall, by writing under the hand of the Secretary in the General Department, certify to the effect that in the opinion of Government they have seriously and persistently failed to observe or perform the provisions herein contained with respect to the application by them of the income of the Pension and Management Funds or either of them;

and upon the happening of any such event, such Association shall vacate their office of Managers.

11. If and so often as the office of Managers under this scheme shall, by any means, be vacant, the Government of Bengal may from time to time appoint any Association which they may think fit to fill the vacant office. Provided that, if the District Charitable Society at Calcutta, who shall be the first Managers, shall vacate their office by reason of their dissolution, the Government of Bengal shall appoint as Managers in their place the successors of the said Society, if such successors shall, in the opinion of the Government of Bengal, be a charitable association constituted or organised under or in accordance with a scheme approved by the Government of Bengal; and so that in filling up any vacancy in the office of Managers, the said Government shall, as far as may be practicable, always appoint an Association constituted or organised in manner last aforesaid.

Government of Bengal to have power of appointing new Managers.

12. Any Managers who shall vacate their office under any of the foregoing provisions shall thereupon deliver all monies in their hands subject to the trusts of this scheme, and all books and papers relating to the administration of the said trusts or to any matters in any wise connected therewith to such person as the Government of Bengal may appoint for that purpose.

As to delivery up of funds, &c., by Managers vacating office.

22. A separate commission fee shall be charged upon every signature which requires attestation, but travelling allowance shall only be charged for the actual distance travelled, provided that where two or more persons who execute the same document (or documents relating to the same transaction) reside together, only one commission fee shall be charged so far as those persons are concerned.

23. The distances for which travelling allowance is charged shall be calculated by the Sub-Registrar himself by reference to a map or to the Table of Distances prepared by the Collector, and the making of this calculation shall on no account be left to a clerk.

The document shall not be copied or certified as registered under rule 55 until it is returned to him with the Collector's certificate that the proper or deficient stamp duty has been paid.

Such stamps must be obtained through the Inspector-General, and can only be supplied to Rural Sub-Registrars on their personally defraying the cost.

47b. When the use of stamps has been sanctioned, they may be also used for copying in the registers, provided that the impression can be conveniently contained in the width of the margin.

48. When a person who cannot write signs his name by means of a mark or by touching the pen, his name shall be recorded at length, and the writer of the name shall also sign his own name in attestation that the mark was affixed or the pen touched in his presence. In districts where Sir William Herschel's system for identification has been introduced, such marks shall be made by a slightly rolled impression of the registrant's left thumb taken in printer's ink off a flat piece of tin, properly prepared for the purpose, and transferred both to the document to be registered and to a blank register to be kept for the purpose in the registration office. Against each impression in this register the name of the party, the number of the deed in Books I, III, or IV, and the date, shall be entered. In such districts the registering officer shall require every executant, who is not personally known to himself, to affix such an impression both to the deed and the register in his presence, whether he can write his name or not.

49. Whenever a registering officer administers an oath, he shall record the evidence of the witness examined on a separate sheet of paper, and a note of the fact shall be endorsed on the deed itself. 52. When two or more copies of the same document are brought for registration at the same time, it shall not be necessary to enter the document more than once in the register, but all the endorsements shall be written upon each copy.

53. All endorsements shall be made in red ink, excepting signatures, which shall be made in black ink.

54. When there is not room on a document for the necessary endorsements, they shall be made on a separate quarter sheet of machine-made medium paper, which should be supplied by the office and attached to the document, note being at the same time made on the document itself and signed by the registering officer. Every piece of paper so added must bear the seal of the registering officer and be signed and dated by him.

58. It is not sufficient for the registering officer to record the statement of any witness Registering officer to satisfy himself the parties may choose to produce. He must satisfy himself with the identification. that the witness is really acquainted with the person or persons whom he is produced to identify. The name of the person to be identified must be stated to the identifier, and he should be clearly and specifically asked whether that person is or is not the person that he professes himself to be.

DELAY IN PRESENTATION AND APPEARING.

59. *Sections 23, 24, 25, 26 and 34.*—Section 25 refers to documents executed out of British India, and is noticed below. With regard to all other documents, the law requires (sections 23 and 34, clause 1) that both the presentation for registration and the appearance of the executant shall take place within four months from the date of execution. But in order to avoid hardship in certain cases, it also provides that a further period of four months shall be allowed, subject to a fine—(1) when a document cannot be presented within the first four months owing to urgent necessity or unavoidable accident (section 24); and (2) when, after a document has been presented, the executants, owing also to urgent necessity or unavoidable accident, cannot appear, or cannot be made to appear, to admit execution (section 34, proviso). In cases of urgent necessity or unavoidable accident, therefore, a delay of four months after due time is allowed for presentation under section 24, and a similar delay for appearance under section 34; and both periods may be allowed for the same document, if an urgent necessity or an unavoidable accident occurs to prevent both the presentation of the document and the appearance of the executant in due time. The two periods are quite distinct, and are given for different purposes and at different stages in the procedure of registration. This distinction is important, and if it is borne in mind, the following instructions will be readily understood.

60. *Sections 23 and 34.*—When a document has been presented under section 23, the executant must appear to admit execution within four months from the date of execution, and on his failure to do so, the Sub-Registrar must immediately, after the expiration of the four months, record a formal refusal to register, leaving it to the parties to appeal to the Registrar under section 72 within 30 days if they think proper. Notwithstanding the executant's failure to appear, however, the Sub-Registrar shall not record an order refusing registration, if the person presenting the document has, before the expiration of four months from the date of execution, taken proceedings under section 36 to procure the appearance of the executant, but in that case he shall report the matter to the Registrar for orders at the end of the four months. Both in this case and in the case of an appeal under section 72, the Registrar shall not pass an order granting an extension of time or directing the Sub-Registrar to register the document, unless it is shown that the executant had not appeared owing to urgent necessity or unavoidable accident. In both cases, also, if he passes such an order, a fine must be paid under section 34 (see article O of the fee-table), and the document may be registered at any time within eight months from the date of execution, as the order would be equivalent to the granting of a delay of four months for appearance. If after this order the executant does not appear within the eight months, the Sub-Registrar must record a formal refusal to register immediately after the expiration of that period. No document presented under section 23 can, under any circumstances, be kept pending after eight months, as the presentation having been made within the ordinary time, only an additional four months can be granted for the appearance of the executant.

61. *Sections 24 and 34.*—A document presented, on payment of a fine, under section 24 is allowed four months in addition to the ordinary period, and the executant must therefore appear to admit execution within eight months from the date of execution. Should he fail to do so, the Sub-Registrar will record a formal refusal to register immediately after the expiration of eight months, leaving it to the parties to appeal to the Registrar under section 72 within 30 days, if they think proper. Notwithstanding the executant's failure to appear, however, the Sub-Registrar shall not record an order refusing registration if the person presenting the document has, before the expiration of eight months from the date of execution, taken proceedings under section 36 to procure the appearance of the executant, but in that case he shall report the matter for the orders of the Registrar on the expiration of the eight months. Both in this case and in the case of an appeal under section 72, the Registrar shall not pass an order granting an extension of time, or directing the Sub-Registrar to register the document, unless it is shown that the executant has not appeared owing to urgent necessity or unavoidable accident. In both cases, also, if he passes such an order, a fine must be imposed under section 34 (see article O of the fee-table) in addition to the fine already imposed under section 24, and the document may be registered at any time before the expiration of one year from the date of execution, as the order would be equivalent to the granting of a delay of four months for appearance, in addition to the delay of four months for presentation already granted under section 24. If after this order the executant does not appear within the year, the Sub-Registrar must record an order refusing registration immediately on the expiration of that period. No document presented under section 24 can, under any circumstances, be kept pending beyond one year from the date of execution.

76c. Before use such forms must be bound into volumes, and paged in the registration office, and a certificate be written of the number of pages contained in the volume. One volume shall be kept for each depositor, and his name be noted outside. The volumes shall be numbered and treated in all other respects as volumes of Book I or Book IV, as the case may be.

76d. On the presentation of a document being an exact duplicate of any form deposited, and being executed by, or in favour of, any one of the depositors, it shall be copied into the volume appropriated to that depositor's forms; that is to say, the blank spaces in the form deposited shall be filled up so as to make it an exact copy of the deed presented.

76e. As an exception to the general rule, priority may be given to the registration of documents presented under these rules. Endeavour should be made to return the document to the presenter before he leaves the office.

COPIES, MEMORANDA, AND SALE CERTIFICATES

77. In addition to the bound volumes of Register Book I, every Sub-Registrar shall keep two file books, in one of which he will file the memoranda of registered documents which have been forwarded to his office under sections 64, 65, and 66, and in the other the copies of the sale certificates received by him from Civil Courts under section 107 of Act XII of 1879, and of instruments and orders received from Collectors under the Agriculturists Loans Act, 1884. Similarly, Registrars shall keep three separate file books—one for memoranda, one for copies under sections 65, 66, and 67, and one for sale certificates and copies of instruments and orders received from Collectors as above. These papers shall be bound into volumes of convenient size at the end of the year. They shall be numbered consecutively, but in a series distinct from that of original registrations in Register Book I.

78. Copies shall be made on paper of the same size and description as that of the bound books. Memoranda shall be drawn up in the prescribed form.

79. Memoranda for sub-districts in another district shall be enclosed to the Registrar of that district, together with the copy required for his own office: but no memorandum need make mention of any property other than that which is situated in the sub-district to which the memorandum is to be sent.

80. When a copy of a document is sent to the Registrar of another district under sections 65-67, a memorandum need not be sent to any Sub-Registrar whose office has been amalgamated with that of the Registrar of such district.

81. The date on which copies and memoranda are despatched under the last two rules shall be entered in the right-hand margin of the book in which the document has been copied.

82. When a memorandum or copy under sections 64-67 is transmitted from one office to another, it shall be accompanied by a receipt in the prescribed printed form, which shall at once be signed and returned by the receiving officer. If delay occurs in the return of the receipt, the despatching officer should send a reminder for it. All such receipts, when returned, should be filed separately.

83. The copies and translations of documents required to be filed under sections 19 and 62 shall be made upon machine-made medium paper which may be sold to the public for this purpose at half an anna per sheet. They shall be kept in a separate file, a reference being made to this in the right-hand margin of the page on which the translation is copied in the register book. The file shall be bound from time to time, when it contains a sufficient number of copies and translations to form a volume. The endorsements under rules 42, 44 and 46, and the certificate under section 60, recorded on the original documents returned to the presentant, shall be entered on the left-hand margin of the register into which the translation is copied, as provided in rule 72a.

INDEXES.

84. The personal index, No. 1, shall contain the following headings:—

Index of persons.

No. 1.

- (1) Name of person.
- (2) Addition.
- (3) Interest in the transaction, as purchaser, mortgagee, decree-holder, &c.
- (4) Where registered.
- (5) Serial number.
- (6) Book.
- (7) Volume.
- (8) Page.

96. In all offices other than ~~sader~~ offices one copy of Indexes I, II, III, and IV shall be made for office use in a bound volume, and a duplicate of the entries made each month in Indexes I and II shall be submitted at its close to the District Registrar.
- Duplicate indexes when to be sent to Registrar.
97. The Registrar on receiving Indexes I and II from Sub-Registrars shall incorporate them in his own indexes, noting the place of registration of each document.
- How to be dealt with in District Office.
98. A copy of the entries in his Index III shall be sent to the Registrar by each Sub-Registrar at the end of every calendar year.
- A copy of entries in Index III to be sent to Registrar annually.

FEES AND FEE-BOOK.

99. A printed table of fees in English and in the vernacular of the district shall be suspended in some conspicuous place in every registry office.
- Table of fees under section 79.
100. Columns 1 to 7 and 13 in the fee-book should be filled up as soon as any document is presented, except in the case of documents presented at the wrong office and returned immediately under rule 64, and in the case of documents impounded under rule 41; columns 8 and 9 should be filled up as soon as a document is admitted or refused; columns 10 and 11, as soon as registration has been completed; column 12, as soon as the document has been delivered; and column 14, as soon as the required copies and memoranda have been despatched.
- Fee-book.
101. Fees levied on documents presented for registration (whether registration has been deferred or not) shall not be retained in the personal custody of any registering officer for any time longer than may be absolutely necessary. They shall be dealt with in the same way as other public money, and be paid into the nearest Treasury. From district and subdivisional offices the fees shall be remitted to the Treasury daily: from rural offices they shall be sent to the Treasury twice monthly or at such shorter intervals as the Registrar shall direct. In all cases remittances to the Treasury should be accompanied by the chalan book duly filled up in duplicate. One copy of each chalan will be then kept by the Treasury officer, and the other returned with his signature.
- Remittance of fees to Treasury.
102. The receipts entered in the fee-book need not be entered in detail in the cash-book: their daily totals will be sufficient. But all other receipts, and all payments whatsoever, must be entered in full detail in the cash-book. All cash received must at once be entered either in the fee-book or in the cash-book. No money should under any circumstances be kept out of account. The cash-book should be balanced every day, and signed after careful examination by the registering officer.
- Mode of keeping cash-book.

RECORDS.

103. The Registrar's office shall be a central office of records for each district, and the books and papers of subordinate offices (which are not to be destroyed) shall be transferred to it from time to time.
- Central office of record in district.
104. The following records belonging to the period anterior to the enactment of Act XVI of 1864 shall be henceforward permanently preserved in district registry offices:—
- Records relating to the period before enactment of Act XVI of 1864, to be preserved in perpetuity in district offices.

All registers of documents and their indexes.
Duplicate copies of documents required to be filed under Regulation XX of 1812.
Registers of powers-of-attorney.
Original powers required to be filed under Regulation XX of 1812.
Kazis' records.

105. Besides Register Books I, II, III and IV, and Indexes I, II, III, and IV, the following records shall be kept in all registry offices:—
- Books and files to be kept in all offices under section 16.

A register of powers-of-attorney in the prescribed form.
A register of visits and commissions in the prescribed form.
A fee-book in the prescribed form.

A catalogue in the prescribed form.
A chalan book in the prescribed form.
Receipts given under section 62, and returned on delivery of registered documents.
A file of receipts for copies and memoranda under rule 82.
A file of daily notices exhibited under rule 153.

106. The following additional books shall be kept in the offices of all District Registrars:—
- Additional books in district offices.

Register Book No. V.
A register of letters received.
A register of letters despatched.

118a. A call for information from any Court or Revenue authority shall, if it necessitates search in the registers, be accompanied by the necessary fee for search, but officers of Government shall be permitted to inspect the registers without fee. On the occasion of the annual enquiries prescribed by Government regarding the securities of ministerial officers, the usual fee must be paid when the search is made by clerks of the registration office, but no fee will be charged if the search is made by a clerk deputed by the officer making the enquiries.

118b. If the production of a register book in any Court is required, it shall be produced by an officer of the registration establishment deputed for that purpose, who will be entitled to claim payment of his expenses like any other witness.

INDENTS.

119. Before the 15th June of each year, every Sub-Registrar shall submit to the Registrar to whom he is subordinate an indent in the prescribed form for all register books and other registration forms, which will be required in his office during the following calendar year.

120. Every Registrar shall submit to the Inspector-General on or before the 1st July of each year an indent in triplicate in the prescribed form for all register books and other registration forms, including the forms prescribed by the Accountant-General, which will be required for his own office and for those of the Sub-Registrars subordinate to him during twelve months from the 1st March to the 28th February following. When it is desired that the supply of register books, &c., should be forwarded to any sub-registry office direct instead of being sent through the office of the Registrar to whom the Sub-Registrar is subordinate, an intimation to that effect should accompany the Registrar's indent, and the indents of such Sub-Registrars should be submitted separately in triplicate with the Registrar's endorsement instead of being embodied in the Registrar's indent. A supply of new register books required to be opened on the 1st January of each year should be included in this annual indent. The indents will be forwarded by the Inspector-General to the Superintendent of Stationery, after being checked and countersigned, by the 1st September.

121. When delay occurs in supplying register books and other registration forms, reminders should be addressed, not to the Inspector-General of Registration, but to the Superintendent of Stationery, the number and date of the Inspector-General's order being quoted. Reminders are useless without it.

122. Rural Sub-Registrars may be supplied with registration ink and other stationery from the district office at cost price, which should be ascertained from the Superintendent of Stationery. The machine-made medium paper required for copies under sections 64 and 65 will be supplied to them gratis. They are also supplied with registers, index books and printed forms free of charge.

123. The cost of sending the registers, &c., from the Stationery Office to the offices of Rural Sub-Registrars, which are situated at a distance from Calcutta, is borne by Government, and the charge is met from the provision made in the budget for the Registrar's office contingencies.

124. Before the 1st March in each year, all District Registrars should send to the Inspector-General an indent in duplicate in the prescribed form for the stationery (including registration ink) which will be required for the registry offices in their districts during the next twelve months. Indents from Sub-Registrars should be submitted to the district office at least fifteen days before the 1st March. The Registrar's indent should include all ink and other stationery likely to be required by Rural Sub-Registrars under rule 122 above. The indents will be forwarded by the Inspector-General to the Superintendent of Stationery, after check and countersignature, by the 1st April.

SALARY BILLS.

125. Registrars and Sub-Registrars, who are paid by fixed salaries, will draw their pay in Accountant-General's form No. 297, and the bill may be paid without the countersignature of superior authority.

126. Sub-Registrars who are wholly or partly remunerated by a commission on the number of documents will draw their commission at the end of each month in Accountant-General's form No. 314, upon such documents only as shall have been completed during the month. Documents presented but still pending at the close of the month or refused registration shall be excluded; but if they are eventually registered, the fees previously credited in respect of them will be brought into the commission account for the month in which they are completed. Commission bills require the Registrar's countersignature before the payment.

127. If an officer of Government is appointed *ex-officio* Sub-Registrar during the temporary absence of a Special or a Rural Sub-Registrar, he may draw his commission at the end of each month on the bill countersigned by the Registrar. If the duties of the sub-registry office are ordinarily performed by an officer of Government *ex-officio*, the commission

is payable half-yearly, and the bills require the countersignatures of both the Registrar and the Inspector-General of Registration. The commission bills are to be prepared in Accountant-General's form No. 285. An *ex-officio* Sub-Registrar is entitled to commission at 25 per cent. of the fees, but his total commission in any one month will not exceed Rs. 100 or Rs. 600 for the half-year. Commission on the fees will be allowed on those documents only which have been accepted for registration, and not on those that are refused or pending. Credit is at the same time given by the form for the fees on documents which, having been thus excluded from the bill for the half-year in which they are presented, are nevertheless registered in the subsequent half-year.

128. When an officer is temporarily placed in charge of the office of a Special or an *ex-officio* Sub-Registrar during his absence on casual leave or on inspection duty in the interior of his district, he is not entitled to draw commission, but the commission for that period shall be retained by the Special or the *ex-officio* Sub-Registrar.

ESTABLISHMENT BILLS.

129. Salary bills for permanent establishments will be drawn in Accountant-General's form No. 298 or 299* by the head of the office. They do not require the countersignature of any higher authority.

130. Bills for extra establishments paid by salary may be drawn in the same way as those for fixed establishments in Accountant-General's form No. 316, the orders sanctioning the entertainment being always quoted in the bill.

131. Whenever special establishments are entertained, whether they are paid by salary or at contract rates, a weekly progress statement must be submitted to the Inspector-General in printed form No. 42.

PERMANENT ADVANCE.

132. A permanent advance, not exceeding Rs. 200, will be allowed for each District Registrar on account of (1) contingencies, (2) service postage, and (3) refund of registration fees; but he need not draw the full advance of Rs. 200 where his ordinary expenses fall much below that amount. The Registrar will apportion the amount drawn according to the requirements of each subordinate office, care being taken that a sum is allowed sufficient to meet charges for refunds only, because in the case of rural offices contingent charges will be defrayed by the Rural Sub-Registrars, and in other sub-registry offices they should be met from the advance for general purposes received from the Accountant-General. In case of dismissal or death of Rural Sub-Registrars, the District Registrar will be held responsible for the amount of the advances made by him. On the 15th of April each year the District Registrars will send an acknowledgment of the entire advance to the Accountant-General, Bengal, in the printed form supplied by him.

133. The advance received by a Sub-Registrar will never be repaid into the Treasury, but recouped from time to time, when necessary, by the submission to the Registrar of an abstract bill or bills supported by needful vouchers. On the first office day after the 1st April in each year, the officer receiving the advance will forward an acknowledgment of its receipt to the District Registrar. Whenever there is a change of incumbency, the relieving officer shall also address to the Registrar an acknowledgment in the following form:—

"To the Registrar of

"We, the undersigned, have the honour to report that we have this day, at o'clock in the forenoon (or afternoon), respectively delivered over and received charge of the office of Sub-Registrar of _____, and that we have examined the registers and seen that all entries have been properly authenticated up to date.

Relieved Officer.

Relieving Officer."

"And I, the relieving officer, acknowledge to have received Rs. _____ of the permanent advance, and that the full amount of such advance is due from, and to be accounted for by, me. I also hereby declare that I have compared the registers and books with the catalogue and found them correct, and that I have recorded a certificate to that effect in the catalogue.

Relieving Officer."

* Accountant-General's form No. 299 is intended for use in small offices.

In case of transfer of charge by a Registrar, a report shall be made to the Inspector-General of Registration in the following form, and a similar certificate shall be sent to the Accountant-General by the relieving officer:—

“To the Inspector-General of Registration—

Relieving Officer.”

Dated the 18 .

134. The rules regulating contingent charges are contained in the Accountant-General's Bengal's Order No. 1, Chapter III, Part I, of Standing Orders, and the procedure laid down therein should be followed in regard to each expenditure.

144. The disbursing officer is responsible for keeping and reproducing, when required, any sub-vouchers of his expenditure under contract contingencies, except those which he is authorized (Article 88 of the Civil Account Code) to destroy.

Sub-vouchers of contract contingencies.

145. A bill must always be drawn on or immediately before 31st March of each year for all expenditure under contract contingencies up to date. Money drawn from the Treasury after that date comes out of the allotment of the next year, and it is contrary to the principles of the scheme that expenditure incurred in the current year should be in any way held over, after being incurred, to be paid out of the allowances of the next year. This final bill will produce a total which either exceeds, equals, or falls short of the total allotment. For any excess the drawing officer is personally responsible, and unless he can procure exemption from the Government, the amount will be recovered from his personal allowances.

Charges are debited to the allotment of the year in which the bill is actually drawn.

146. No charges for printing may be incurred without the special sanction of the Inspector-General. Such printed forms as are necessary will be printed at the Presidency Jail Press under the authority of the Inspector-General.

Printing charges.

147. English stationery procurable from the Stationery Office may not be purchased in the local market, but charges for petty articles, such as sealing-ink, paste, thread, country-paper, &c., may be included in the monthly contingent bill.

Petty articles of stationery.

MISCELLANEOUS.

148. When the executant of any document appears personally, he shall be required to attest all interlineations, blanks, erasures or alterations. When he appears by agent, &c., the attestation of such agent, &c., shall be accepted, unless the interlineations, &c., are of an important character. A registering officer shall also be at liberty, on due cause being shown, to accept the attestation of an agent, &c., even in the case of important interlineations, &c.

Interlineations, &c.—section 20.

149. When a document is presented, or the execution is admitted, more than four months after execution, the Registrar may either register the document himself, in which case an extra fee under article K of the table of fees, as well as the penalty under article O, shall be levied, or he may direct its registration (on payment of the penalty under article O) by any Sub-Registrar in whose office it could have been registered if presented within four months. In such cases the date on which the application was made to the Registrar shall be regarded as the date of presentation.

Procedure in case of documents admitted after four months.

150. Every Sub-Registrar shall sit daily during certain hours, which shall be approved by the Registrar and made known to the public by a notice in some conspicuous place outside the office. The holidays to be observed in registration offices shall be those which are gazetted by the Government under section 25 of the Negotiable Instruments Act, XXVI of 1881, and those specified in the section itself.

151. Applications for the remission of fines under section 70 may be filed with the registering officer, but no such application shall be received until the fine has been paid. The application shall be forwarded to the Inspector-General with any remarks which the registering officer may wish to make.

152. Registering officers shall take care that their clerks have no dealings with the public, except in their presence. They shall themselves receive documents which are tendered for registration, and when they are registered, shall return them with their own hands.

153. The serial number of the last document completed and ready for return shall be daily exhibited in the prescribed printed form in some conspicuous place outside every office.

154. A catalogue in the prescribed form shall be kept up and permanently prescribed in every registry office. On the occasion of every permanent change in the incumbency, the officer receiving charge should compare his books with the catalogue, and certify therein that he has found them correct.

155. All official letters and covers sent by post from any sub-registry or district registry office must be prepaid by service labels. These labels will be supplied to Sub-Registrars (on application) by District Registrars, who will disallow unreasonable and excessive demands. A monthly statement of the distribution of service labels should be submitted by each District Registrar for the information of the Inspector-General. The cost of these labels will be met from the consolidated advance mentioned in rule 132.

156. Bills, monthly returns, and regular indents should not be accompanied by covering letters. The envelopes containing them should be marked "Returns." Letters and urgent indents should be separately sent.

157. A duplicate bill should never be submitted unless the original is lost in transit or otherwise, in which case a certificate should be attached to the effect that the bill has not been cashed at the Treasury. The previous sanction of the Accountant-General to its payment must be obtained before such a bill is presented for encashment at the Treasury.

158. Travelling allowances of registering officers and their clerks will be drawn in Accountant-General's forms Nos. 303 and 304, respectively; and in both cases they must invariably be submitted to the Inspector-General for countersignature before payment, whatever may be the amount of the bill.

159. When ministerial officers of the Department are deputed to give evidence or to produce records before any Court, applications for the payment of their travelling expenses should be made to the Registrar of the district.

160. The security bonds of head-clerks should be examined at the close of each financial year, and the result reported to the Inspector-General.

GOVERNMENT OF BENGAL,—MARINE DEPARTMENT.

The 22nd October 1895.

No. 142 Marine.—In exercise of the powers conferred upon him by section 36 of the Indian Steam Ships Act, 1884, and in supersession of rule 13 of the rules sanctioned under the notification of this Government, No. 23 Marine, dated the 30th January 1890, for the purpose of regulating the grant of certificates of competency to Engineers of sea-going steamships, the Lieutenant-Governor proposes to make the following amended rule. It will be taken into consideration on the expiry of a month from the date of its first publication in the Gazette, and the Lieutenant-Governor will be glad to consider any suggestions or observations that may be made by any person concerning it within that period:—

Regulations relating to the examinations of Engineers for Colonial Certificates of Competency.

The service required by the Regulations to qualify a candidate for examination is to be understood to be service in the Foreign Trade only. Service in the Home or Coasting Trade must amount to at least half as much again as that required by the Regulations to make up for the time spent in port, e.g., for every twelve months' service under the Regulations, eighteen months' service in the Home or Coasting Trade will be required, except in the case of Indian Coasting voyages extending beyond a distance of 500 miles from the port of departure, when such service will count as foreign voyages, and will be reckoned as full time, but the time spent in the port of departure or Home Port will not be allowed to count. In all cases the length of service is deemed to commence on the date of sailing from the port of departure or Home Port and to end on the date of arrival at the Home Port.

INSTRUCTIONS.

Cases on which orders have been passed should from time to time be entered under the proper head of crime, pending being added at the end of the year. Columns 6 and 7 are meant to distinguish cases reported in the previous, from those reported in the current, year, but the latter only should be entered in column 3 of Annual Statement 2. Offences under each head of crime should be entered in a separate page or pages, as may be necessary. All cases under the schedule attached to Annual Statement 2 instituted or decided by, any Court in a subdivision should be entered in this Register. Persons entered in columns 14 to 19 of the Register of offences should, at the conclusion of the trial, be entered under the proper head of crime in this Register. Those entered in column 14 as committed or referred should be entered when the result in the higher Court has been ascertained; until then they should be treated as "pending." At the close of the year account must be taken of the number of persons under each head of crime, whose cases are pending in order to complete the entries to be made in Annual Statement No. 2.

This Register, as will appear from the instructions above, is intended to facilitate the preparation of Annual Statement No. 2, and the instructions regarding the preparation of the latter, reproduced at page 280, require that it, and, therefore, also columns 6 and 7 of this Register should include all offences (cases) of which information was given, complaint made, or cognizance taken under Chapters IV, V, XIV, and XVI of the Criminal Procedure Code, * * if they were alleged to have occurred in the district, although some of these cases may not have been made the subject of judicial proceedings or may have turned out to be false. [General letter No. 1 of 6th Dec. 1893.] All the instructions regarding the preparation of the Annual Statement referred to above should also be observed in writing in this Register.

The column headed "Brought to trial during the year" is intended to show only cases brought to trial during the period to which the return prepared from this Register relates, and is not intended to include cases pending at the commencement of such period.

Note.—This Register should not be kept in the form of a bound book, but the pages for the different heads of crime should be filed together and insertions and additions made as required.

Regarding the filling up of the several columns.

Columns 2 to 5.—The number of the case as given in Primary Registers 1 to 4 should be entered in these columns.

Column 6.—Enter all offences (cases) pending at the close of the previous year.

Column 7.—All offences (cases) of which information was given, complaint made, or cognizance taken under Chapters IV, V, XIV, XVI, Criminal Procedure Code, for the first time during the year, are to be shown, if alleged to have occurred in the district, although some of the charges may not have been prosecuted, or may have been found to be false, provided that the cases were dealt with by a Magistrate in his judicial capacity.

Column 8.—Enter all complaints (cases), inclusive of cases reported during, and pending at, the close of the previous year, dismissed under section 203, Criminal Procedure Code, during the year.

Column 9.—Enter all cases other than those shown in column 8 in which during the year a Magistrate declared that the charge was false or that the facts alleged did not amount to an offence, or that the offence never occurred, inclusive of cases pending from the previous year and so dealt with during the year. Include cases in which the complaint was adjudged to be frivolous or vexatious, and the complainant was fined, under section 560, Criminal Procedure Code. Exclude charges rejected by the police, unless a Magistrate declared them to be false, acting in a judicial capacity and not as a police officer.

Column 10.—Enter cases found to be true during the year out of those entered in column 6. (This information, though required by the Court, is not required by the Government.)

Column 11.—Enter cases found to be true during the year out of those entered in column 7.

Column 12.—The entry in this column should be the balance of the cases entered in columns 6 and 7 after deducting those entered in columns 8, 9, 10, and 11.

Column 13.—Is intended to show only cases brought to trial during the year, and should not include cases pending at the close of the previous year.

Columns 14 to 17.—No person who has not appeared personally or by agent in Court is to be included in Annual Statement 2, but all persons who have appeared, whether in obedience to summons, warrant, or other process, or voluntarily, to answer a criminal charge should be shown as under trial. So also, persons discharged from bail taken under section 169 without appearing before a Magistrate should not be entered. Accordingly, those cases only in which an accused person has appeared personally or by agent before a Court, and the persons who so appeared, are to be entered in these columns. Persons remaining under trial at the close of the previous year and those received by transfer from other districts during the year should be included in columns 14 to 17.

Columns 14 and 15.—These columns are intended to show the result of trials in Magistrates' Courts as regards persons whose cases were disposed of by Magistrates, and in Courts of Session as regards persons whose cases were disposed of by those Courts. In cases referred by Subordinate Magistrates under sections 347 and 349, by Deputy Commissioners under section 34, by Assistant Judges under section 31, and by Courts of Session under sections 307 and 374, Criminal Procedure Code, the results to be shown are those of the Court which received and dealt with the reference. Should this Court not have decided any case by the end of the year, the person concerned in the case should be entered in the column "Remaining under trial at the close of the year."

Column 16.—It is not intended that any person should be entered in this column as disposed of by transfer unless the transfer was from one district to another, or from one kind of Court to another,—as for example, from a Civil or Revenue Court under section 482 of the Criminal Procedure Code.

Column 17.—Persons remaining under trial in Courts of Magistrates and in the Courts of Session in cases of commitment to those Courts, as also the persons whose cases were referred to a Superior Court, alluded to in the instructions regarding the filling up of columns 14 and 15, and undecided at the close of the year, should be entered in this column.

Column 18.—In this column should be noted the names of the Courts or districts to which the cases of any of the persons entered in column 16 were transferred.

Note.—This Register should not be kept in the form of a bound book, but the pages of the different heads of crime should be filed together and additions and insertions made as required.

2. Cancel the form of Annual Statement 2—(Criminal) and the instructions for its preparation, reproduced in the same Chapter pages 259 to 261, and substitute therefor at page 259 the following:—

THE next divisional examination of candidates to fill 50 vacancies in the rank of Sub-Inspector of Police will be held on the 2nd and 3rd December 1895, at the following centres:—at Calcutta (Senate House) for the Presidency, Rajshahi, and Burdwan Divisions; at Bankipore for the Patna, Bhagalpur, and Chota Nagpur Divisions; at Dacca for the Dacca and Chittagong Divisions; and at Cuttack for the Orissa Division, when not less than the number of appointments noted against each centre will be filled up from the list of successful candidates:—

Calcutta	15
Bankipore	15
Dacca	15
Cuttack	5

The following classes of candidates will be admissible to the examination:—

- (a) Persons who have passed the Entrance Examination of the Calcutta, Allahabad, or Punjab University, provided they are not less than 21 nor more than 25 years of age.
 - (b) Persons now serving as head-constables and writer-constables in the police, who have obtained the permission of the District Magistrate to appear at the examination, provided that they are not more than 30 years of age, and are of not less than two years' standing in the Department. This permission will only be given to persons who satisfy the conditions laid down in Rule 2.
2. No person will be deemed qualified who does not satisfy the following conditions:—
- I.—That he has no disease, constitutional affection, or bodily infirmity unfitting him or likely to unfit him, for police duties, and that he is up to the physical standard prescribed by Government Circular No. 4436J. of the 9th July 1892.

NOTE.—“Stuttering or stammering” is a constitutional defect, and represents a physical disqualification.

II.—That he is of good moral character.

III.—That he belongs to a respectable family.

IV.—That he produces a certificate of ability to ride signed by a district officer.

3. Applications for permission to appear at the examination must be submitted, not later than one week before the date fixed, to the Magistrate of the district in which the candidate resides, stating the place at which he desires to appear for examination. Each application from class (a) candidates must be accompanied by a fee of Rs. 5. All candidates will be required to satisfy the conditions specified in Rule 2 above. The certificate of health should be signed either by the Civil Surgeon of the district in which the candidate ordinarily resides, or in Calcutta by one of the Professors of the Calcutta Medical College. Forms of application are available in the offices of District Superintendents of Police.

The Magistrate should require a personal identification of each candidate by some known person, whose name should be recorded, and satisfy himself that the certificates of respectability and moral character refer to the individual applying for permission to appear at the examination, and send him to the District Superintendent for certificate as to physical fitness. This certificate should contain the applicant's descriptive roll, thumb impression, signature and address for purposes of identification. The District Superintendent will then obtain a health certificate, (the fee for which will in all cases be Rs. 4) from the Civil Surgeon, and send it, together with the certificate of physical fitness, to the Magistrate, who will, after subjecting the candidate to an examination in riding and noting the fact, grant a written permission to appear at the examination.

As these certificates form the verification rolls of candidates, they should be very carefully examined and enquiries made when necessary.

The above papers with the examination fee will be forwarded without delay by the Magistrate of the district in which the candidate resides to the Magistrate of the centre at which the candidate wishes to be examined.

The Examination Committee before the examination will compare the descriptions, thumb impressions, duplicate impressions being taken for the purpose, if necessary, and signatures, and satisfy itself about the identity of the person appearing.

At the examination the candidate will be required to sign the papers in every subject, writing his father's name and his own address on them to avoid confusion arising out of a similarity of names.

After the result of the examination is known, the certificates of passed candidates will be forwarded to the Inspector-General's Office, and will then be treated as verification rolls.

The certificates of unsuccessful candidates will be returned if asked for within two months, or destroyed at the end of that period.

4. The subjects of examination will be as follows:—

I.—Dictation, letter-drafting, precis-writing, and a short translation from Bengali, Uriya or Hindi into English. Europeans and Eurasians will be allowed to choose one out of these three languages to be examined in. No candidate failing to obtain half-marks in this paper will be considered qualified for appointment.

II.—Paper on general knowledge. The questions will be set so as to test the general information and intelligence of candidates.

III.—Mathematics, including arithmetic and algebra, and account-keeping.

IV.—Law, including the Penal Code, the Criminal Procedure Code, and the Evidence Act.

N.B.—Clause (b) candidates will be exempted from passing in algebra.

5. The marks will be given on the following scale:—

1. Dictation and language	200
2. General knowledge	200
3. Mathematics	200
4. Law	200

6. After the results of the examination have been ascertained, a list will be prepared of the candidates selected for appointment. Those who have not obtained half-marks in

dictation and language, and one-third marks in the aggregate of the remaining papers, may be struck out as ineligible for appointment. Of the remaining candidates a list will then be composed as follows—(a) one-half of the candidates who stand highest on the list in order of merit; (b) one-half of candidates selected from among those candidates who have obtained not less than one-third of the marks. At least two-thirds of the appointments will, if qualified candidates are available, be given to outsiders.

7. Natives of Bengal Proper will be eligible for appointments in all Bengal districts and in Manbhum; natives of Bihar in Bihar districts and in Hazaribagh and Lohardaga; and natives of Orissa in the Orissa Division and the district of Singhbhum. Selected candidates will be liable to be transferred to any district.

8. Selected candidates on appointment will undergo a three months' course of instruction at the Bhagalpur Police Training School. This course will include drill, elementary surveying, anthropometry, and instruction in prosecuting cases in Magistrate's Courts. At the end of the three months all probationers obtaining a certificate of proficiency will be posted to districts and receive appointments in due course as 5th grade Sub-Inspectors. During the period of probation candidates will receive 20 rupees a month as salary. Candidates who fail to display due diligence during their period of probation will be liable to lose their appointment.

9. Candidates resident in any of the districts of the Patna, Bhagalpur, and Chota Nagpur Divisions, who take up Hindi at this examination, will be considered to be natives of Bihar. Candidates competing at Cuttack, who take up Uriya, will be considered natives of Orissa.

10. Information as to the hour and place of examination can be obtained 15 days before the examination by applying to the District Magistrates of the 24-Parganas, Dacca, Patna, and Cuttack.

The following are the conditions of sale:—

1.—The opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2.—The opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by clause 13 of these conditions of sale. The bids must advance by Rs. 5 at a time.

3.—The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4.—Each lot shall contain five chests.

5.—A Promissory Note for a sum, calculated according to the scale, noted in the margin,

DEPOSIT.

When the amount bid is less than Rs. 1,200 per chest, Rs. 200 per chest.

On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.

On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.

And so on, Rs. 100 being added to the deposit for every bid additional, to the extent of Rs. 400.

shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book; and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Bank of Bengal receipts or by substitution of other public securities of the Government of India, on or before 3-30 p.m., in the afternoon of the fifth day after the sale, provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 p.m., or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6.—The said Promissory Notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7.—The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 p.m. of the fifth day following the day of sale, or 1-30 p.m., if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8.—No tender of money, Bank of Bengal Receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9.—The opium advertised for sale shall be paid for not later than by 3-30 p.m. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 p.m.; and in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10.—Purchasers taking out certificates or orders for the delivery of opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

11.—No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12.—The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand render at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a promissory Note would otherwise be taken under the fifth of these conditions.

13.—With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually by Rs. 5 at a time until a bid is obtained; and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government Superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16.—The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue :—
No. 1, certificate of the opium advertised for sale; No. 2, report of the examination of such opium.

17.—The public are hereby informed that in providing the investment of the opium manufactured at the Patna Factory and the opium manufactured at the Ghazipur Factory for the year 1894-95, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug when packed at the Patna and Ghazipur Factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18.—Any further information respecting weight or quality of the opium advertised for sale, that may be desired by parties connected with the trade, will, as heretofore, be furnished to them on personal application at the Office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

Offg. Secretary.

GOVERNMENT OF INDIA.

DEPARTMENT OF REVENUE AND AGRICULTURE.

INVENTIONS AND DESIGNS.

Dated Calcutta, the 10th October 1895.

NOTIFICATION.

In exercise of the powers conferred by sections 49 and 63 of the Inventions and Designs Act (V of 1888), the Governor-General in Council is pleased to make the following rules for the preparation of applications and specifications filed under sections 5, 8 and 51 of the Act and of drawings attached thereto:—

1. All words used in these rules and defined in the said Act shall have the meanings thereby assigned to them respectively.
2. Applications and specifications must be neatly and legibly written, printed, or otherwise reproduced upon one side only of stout paper of half foolscap size, that is, of a size of 13 inches in height by 8 inches in width, and the pages numbered consecutively in the right-hand top corner.
3. Drawings must be on either stout paper or tracing cloth, and must be neat and clear. Photographs will be accepted if made or mounted in accordance with the following rules.
4. The left-hand portion of each sheet of drawings, to the width of a half sheet of foolscap, that is, a width of 8 inches, must be left blank, so that when the sheets are opened out, the sheets which lie above them and contain the text of the application or specification will conceal no portion of the drawings.

5. Each sheet of drawings must be—

- (a) of a width not greater than that of a sheet of foolscap, that is, a width of 16 inches, except when the size of any single drawing is such that a greater width is required for it;
- (b) of the same height as a sheet of foolscap, that is, a height of 13 inches, except when the size of any single drawing is such that notwithstanding increased width a greater height is unavoidably necessary.

6. A clear margin of half an inch must be left round the portion of the sheet which is occupied by drawings.

7. Reference figures and letters must be clear and bold, and the same letters should be used for the same parts in different views or drawings. In complicated drawings, or when there is not room to write the letters in their proper places, the letters should be shown outside the figure and connected with the parts referred to by fine lines.

8. The name of the applicant, and the year in which the application is made or specification filed, should be shown on each sheet of drawings in the right-hand top corner of the blank space left, under rule 4. The sheets, when more than one, should be numbered consecutively, and the number of each should be shown in the right-hand top corner of the sheet.

9. No written description of the invention or design should appear on the sheets of drawings.

10. When a patent has been applied for or obtained in England, a *fac-simile* of the drawings submitted with the English application may be filed, without reference to the above rules.

11. Notwithstanding its non-compliance with any of the above rules, the Governor-General in Council may in his discretion permit any application or specification to be received and filed without requiring the same to be amended.

THE following rule, amending the rules regarding copies, having been framed by the High Court of Judicature at Fort William in Bengal, in the exercise of the power vested in it by section 15 of the Statute 24 and 25 Victoria, Chapter 104, and sanctioned by the Governor-General in Council, is published for general information.

By order of the High Court,

T. W. RICHARDSON, Offg. Registrar.

HIGH COURT,
The 22nd November 1895.

Issued by authority of the High Court of Judicature at Fort William in Bengal.

(CIVIL AND CRIMINAL.)

Rule No. , dated the , 1895.

1. Cancel clause (b) of Rule 6^{12 at page 63 (Civil)} and the note thereto at pages 63, 65 (Criminal) of the High Court's General Rules and Circular Orders and substitute therefor the following:—

(b) [Rule No. of 1895.]—In regard to applications for copies, if the application be allowed and the copy made, the proper officer shall, before issuing the copy, punch the court-fee stamp required for such copy by the laws* for the time being in force, in the manner directed by paragraph 3 of Circular No. 13 of 1892 of the Board of Revenue reproduced in clause (c) of this Rule. If the application be disallowed, or if, before the copy is made, the applicant intimate that he does not require it, such court-fee stamp may be returned to him, a note of this having been done being made in the Register and signed by the proper officer and the applicant.

2. Substitute the following for sub-rule IV^{4 of Rule 7 at pages 122 and 123 (Civil)} of Rule 6 at pages 174 and 175 (Criminal) *ibid*:—

4. When a copy of a judgment or decree or any other document is required, the party requiring the same shall deliver to the officer designated by the Judge under Rule 1 an application signed by his vakil or by his authorized agent, or by himself, if acting in person, in Form B, which will be obtainable in loose sheets in the same way and at the same cost as Form A.

4A. Every such application shall be numbered consecutively as received, and it shall be the duty of the officer to whom the requisition is delivered at once if possible, or during the same day, or not later than the following day, to ascertain the amount of court-fee stamps payable for the copy asked for and the number of folios required for its preparation, and at the same time to inform the applicant thereof.

4B. When such information cannot be given at once, the officer shall inform the applicant when he may expect to obtain it. The counterfoil of the application shall be returned to the applicant, and it shall be his duty to attend at the time named.

4C. The amount of court-fee stamps and the number of folios required shall always be noted on the back of the requisition, and the applicant shall be required to put his signature thereto as an acknowledgment of his having received the information.

4D. The applicant shall further be informed that his application will not be considered complete, and that the preparation of the copy will not be commenced until he has supplied in full the court-fee stamps and the number of folios stated to be required.

4E. When he supplies the stamps and folios, the applicant shall present the counterfoil of his application, which has been returned to him, and a memorandum shall be made thereon stating the date and hour when the copy will be ready. A corresponding note shall be made on the body or main portion of the form, which shall then be passed on into the

office, together with the stamps and folios, for the preparation of the copy. The applicant shall retain the counterfoil, and it shall be his duty to attend on the date fixed for the purpose of receiving the copy.

4F. The number of folios required should be carefully calculated, so as to obviate the necessity of obtaining additional folios from the applicant—a contingency which, under a proper system, ought never to arise.

8. Cancel the “*Nota*” at the foot of the “Form of application for copies” reproduced at page ^{127 (Civil)} 120 (Criminal) *ibid* and substitute therefor the following:—

Nota.—This portion of the form must be filled up by the applicant. He will receive it back signed by the proper officer. He shall be informed, as soon as possible, of the amount of court-fee stamps and the number of folios required. If this information cannot be given at once, the applicant should attend at the time named for the purpose of obtaining it. The application will not be considered complete, and the preparation of the copy will not be begun, until the stamps and folios necessary have been supplied in full. When the applicant supplies the stamps and folios he shall present this counterfoil, and the date on which the copy will be ready will be noted on the back. The applicant should keep the counterfoil, and on his presenting it, either personally or by an agent whose name has been endorsed on the back, on the date fixed, the copy (there being no objection) will be given to him.

4. In clause (k) of ^{Rule 8} ^{131 (Civil)} ~~Rule 7~~ ^{124 (Criminal)} at page *ibid*, for “Date of delivery of the requisite stamped sheets,” substitute “Date of delivery of the requisite stamps and folios.”

Sheriff's Office, the 30th October 1895.

SIBPUR, the 22nd November 1895.

NOTIFICATIONS OF THE BOARD OF REVENUE.

UNDER section 22 (2) of Act I (B.C.) of 1895, the Public Demand Recovery Act, the following rules have been framed by the Board with reference to the requirements of section 287 of the Code of Civil Procedure in regard to sales of property in execution of a certificate, and are published for general information:—

- I.—When the officer who effects an attachment under section 269, Act XIV of 1882, believes that the property attached does not exceed twenty rupees in value, he shall inform the debtor, or, in his absence, any present adult member of his family, that it will be sold by public auction at once, without the issue of any proclamation under section 287. In case the decree-holder or the judgment-debtor, or any person on his behalf, objects to the adoption of the course, the attaching officer will convoke a panchayat of not less than three respectable adult male inhabitants of the neighbourhood, of whom ordinarily the headman of the village should be one, and will require them to assess the value of the property. If they determine that it exceeds Rs. 20 in value, he shall deal with it under the rules framed by the Lieutenant-Governor of Bengal, otherwise he shall forthwith proceed to sell it by auction, after giving such reasonable notice, as the circumstances of the case admit of, to intending purchasers.
- II.—At the time of making an application under section 280, Act XIV of 1882, for the attachment of moveable property in the possession of the judgment-debtor, the decree-holder shall pay the costs of issuing the proclamation of sale under section 287 of the Act, unless the value of the property, the attachment of which is applied for, is alleged by him not to exceed Rs. 20 in value. In this case, should the value of the property as determined by the above rule, be found to exceed Rs. 20, the decree-holder shall pay the costs of the proclamation immediately on receipt of notice of attachment.
- III.—Sales of moveable property not exceeding Rs. 20 in value shall be held on the spot. Such sales will necessarily be conducted by peons when they are the attaching officers. Sales of moveable property of greater value may be held on the spot or at the Sadar or subdivisional head-quarters, as may seem convenient and conducive to the securing of good prices. For such sales officers of higher rank than peons should always be deputed when the value of the property is estimated to exceed Rs. 50, and proclamation should be issued. When the value is between Rs. 20 and Rs. 50, the Collector or Deputy Collector may by a special order depute a peon, if he considers it desirable to do so.
- IV.—Sales of immoveable property should ordinarily be held at the district or subdivisional head-quarters, according as the villages may be nearer to either, but sales on the spot are desirable when bids or sufficient bids cannot be obtained at head-quarters. It sometimes happens that it is only by holding sales in the villages that the property can be disposed of. When this is the case, nazirs, naib-nazirs or bakshis should be employed; but in rare instances, where the value of the property is very small and the cost of deputing a higher officer would be out of proportion to it, a trustworthy peon may be sent out under the special orders of the Collector or Deputy Collector. For all sales of immoveable property proclamation must be issued.
- V.—Sales of estates or shares of estates should always be held at the district or subdivisional head-quarters.
- VI.—In order to ensure a good attendance of bidders and fair bids, it is desirable that regular sale days, whether one or more in the month, should be fixed, and that lists of property to be put up at each sale should be published some days in advance. This arrangement cannot, perhaps, be made ordinarily at subdivisions, where sales are few and far between, but it should be introduced where the sales are sufficiently numerous and regular.
- VII.—In cases in which the decree-holder applies for leave to purchase under section 294 of the Code of Civil Procedure, no order to set off the purchase-money against the amount of the decree shall be made upon the application for leave to purchase. Such order shall be made upon a petition presented after the property has been knocked down to the decree-holder at the auction-sale, and such petition shall be stamped with stamps of the value of the poundage fee due for selling the property, viz.—
 2 per cent. on the gross amount realised by the sale of the property, up to Rs. 1,000.
 1 per cent. more on all excess of all gross proceeds beyond Rs. 1,000.

VIII.—Upon the hearing of such petition the costs of execution, including the amount of the stamps attached to the petition, shall be ascertained and shall be added to the decree; and in cases in which the amount of the purchase-money exceeds the amount of the decree and of such costs, the decree-holder who has so purchased the property shall pay into Court the sum of 25 per cent. upon the balance of the purchase-money after deducting the amount of the decree and of such costs, and shall pay the balance at the expiration of fifteen days in accordance with section 807 of the Code of Civil Procedure.

The following are the conditions of sale:—

1.—The opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2.—The opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by clause 13 of these conditions of sale. The bids must advance by Rs. 5 at a time.

3.—The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4.—Each lot shall contain five chests.

5.—A Promissory Note for a sum, calculated according to the scale, noted in the margin,

DEPOSIT.

When the amount bid is less than Rs. 1,200 per chest, Rs. 200 per chest.

On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.

On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.

And so on, Rs. 100 being added to the deposit for every bid additional, to the extent of Rs. 400.

shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Bank of Bengal receipts or by substitution of other public securities of the Government of India, on or before 3-30 P.M., in the afternoon of the fifth day after the sale, provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M., or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6.—The said Promissory Notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7.—The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale, or 1-30 P.M., if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8.—No tender of money, Bank of Bengal Receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9.—The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10.—Purchasers taking out certificates or orders for the delivery of opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

11.—No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12.—The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand render at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a promissory Note would otherwise be taken under the fifth of these conditions.

13.—With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually by Rs. 5 at a time until a bid is obtained; and the first *bond fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government Superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16.—The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—No. 1, certificate of the opium advertised for sale; No. 2, report of the examination of such opium.

17.—The public are hereby informed that in providing the investment of the opium manufactured at the Patna Factory and the opium manufactured at the Ghazipur Factory for the year 1894-95, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug when packed at the Patna and Ghazipur Factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18.—Any further information respecting weight or quality of the opium advertised for sale, that may be desired by parties connected with the trade, will, as heretofore, be furnished to them on personal application at the Office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

The 3rd December 1895.—In supersession of notifications dated the 28th May 1889, the 9th September 1890, the 23rd December 1890, and the 29th February 1892, and in exercise of the powers conferred by the Inland Emigrants' Health Act, I (B.C.) of 1889, the Lieutenant-Governor is pleased, with the sanction of the Government of India, to make the following rules, which are hereby published for general information.

O. E. BUCKLAND,
Secy. to the Govt. of Bengal.

RULES UNDER ACT I (B.C.) OF 1889.

Definitions.

1. In these rules, unless there is something repugnant in the subject or context—

Manager means any person appointed by an Agent to be in charge on his account of any depôt or rest-house.

Depôt means any place of accommodation for emigrants, as defined by Act I (B.C.) of 1889, in which the emigrants are collected prior to their being despatched by an Agent or Manager to another depôt or to their destination in the labour districts.

Rest-house means any place of accommodation for emigrants in which the emigrants are halted between the time of leaving a depôt and arriving at another depôt or at their destination.

Places of accommodation for emigrants.

2. Every Agent shall provide and maintain, in such places as the Local Government may from time to time direct, or in the absence of such direction in respect of any route, in such places as the District Magistrate may direct or approve, depôts and rest-houses for the accommodation of the emigrants who may be collected by him or on his behalf, pending their removal and during their journey to a labour district.

Failure to provide and maintain the accommodation required by this rule shall render an Agent liable to a fine not exceeding Rs. 200, and, if the accommodation is not provided within a reasonable time after the infliction of such fine, he shall be liable to a further fine not exceeding Rs. 50 for every day until the accommodation is provided.

3. The amount of accommodation to be provided and maintained, and the sanitary arrangements to be made in such depôts and rest-houses, shall be regulated generally by the rules prescribed under Act I of 1882 for depôts, subject to any modification which the District Magistrate may permit in the case of rest-houses. The District Magistrate may require the Agent to make such arrangements for the supply of drinking water as may seem to him necessary. At least one side of each depôt shall be enclosed along its whole length by an iron railing or wooden paling instead of a continuous wall, to allow perfilation of air, and such railing or paling shall not be blocked in any way internally.

4. No such depôt shall be used for the accommodation of emigrants until the sanitary arrangements in it shall have been approved by the District Magistrate, and no place which has not been so approved shall be recognised as a depôt within the meaning of rule 2. A placard shall be affixed to the depôt signifying that the District Magistrate has approved of the sanitary arrangements and stating the number of emigrants who may be accommodated in it. Such approval may at any time be withdrawn by the District Magistrate for sufficient reasons to be stated in writing.

If the number of emigrants accommodated at one time in any such depôt exceed the number for which accommodation has been duly provided, the Agent or Manager responsible shall be liable to a fine not exceeding Rs. 5 for each emigrant in excess of such number for every day during which such excess exists.

5. The District Magistrate shall maintain a Register of the depôts and rest-houses approved by him under this rule in the Form A attached to these rules.

In Calcutta the powers conferred and the duties imposed by this rule and the rules proceeding on the District Magistrate shall appertain to the Superintendent of Emigration.

6. For each depôt or rest-house while it is in use, the Agent shall, unless he himself lives on the premises, appoint a Manager to be approved by the District Magistrate, and on failure to do so, shall be liable to a fine of Rs. 100, and to a further fine of Rs. 20 for each day during which such failure continues after he has been convicted of a breach of this rule.

7. The District or Subdivisional Magistrate, or a Magistrate subordinate to him, the Civil Surgeon, or an Assistant Superintendent of Emigration, or an officer of Police above the rank of Sub-Inspector authorized by the District Magistrate, and in Calcutta the Superintendent of Emigration, may inspect all depôts and rest-houses, and all Agents and employés of Agents in charge of such places shall afford to the inspecting officer every facility for making such visits and inspections.

All inspection notes shall be entered in an inspection book to be kept up in such places of accommodation.

A copy of the inspection notes shall be forwarded at once by the inspecting officer to the District Magistrate.

Any person who wilfully obstructs or causes to be obstructed any of the above-mentioned inspecting officers entering any depôt or rest-house for making any lawful inspection or inquiry, shall for every such offence be liable to a fine not exceeding Rs. 100.

Treatment of emigrants on a journey.

8. The routes by which emigrants and their dependents shall travel on leaving a depôt, as prescribed by the Local Government, are shewn in the schedule attached to these rules.

The taking of emigrants by any other than a prescribed route is prohibited, and every Agent or Manager responsible for emigrants being so taken shall be liable to a fine not exceeding Rs. 20 for every emigrant so taken.

9. An Agent shall either himself accompany the emigrants engaged or assisted by him until they are put on board the steamer at Goalundo or Dhubri, as the case may be, or shall send with them some competent person. Such Agent or other person shall have and produce, when called upon to do so by any officer authorised to inspect depôts and rest-houses, a *chalan* showing particulars of the emigrants in his charge in the following form:—

Depôt from which despatched.	Date when despatched.	Name and father's name of person in charge of party.	PARTICULARS OF EMIGRANT OR DEPENDENT.							Destina- tion.	Route to be taken.	
			Name.	Father's name.	Caste.	Age.	Sex.	Village.	Pargana.			
	1	2	3	4	5	6	7	8	9	10	11	12

Neglect of the provisions of this rule shall render the Agent or person in charge of the emigrants liable to a fine not exceeding Rs. 20 for each emigrant travelling in his charge the requisite particulars respecting whom are not duly entered in the *chalan*.

10. When the number of emigrants (exclusive of dependents) proceeding on their journey to a labour district is more than twenty, for every twenty emigrants so in excess, or for any number of emigrants less than twenty in excess, one additional Agent, or person appointed by him, shall accompany the emigrants so proceeding. Provided that when the emigrants are embarked in any steamer for conveyance to their destination by water, no such

If such emigrant is entitled and claims to be fed, lodged, clothed, and (if necessary) medically treated or to be sent back, his or her dependents, and any other emigrant being the wife or husband of such emigrant, shall be entitled, as the case may be—

(a) to be fed, lodged, clothed, and (if necessary) medically treated at the place where such dependent is detained, and at the cost of such Agent, until such dependent is in a fit state of health to undertake the journey to the labour district, or

(b) to be sent back at the cost of the Agent to the place from which he or she came.

19. If the Agent or person appointed by him accompanying any emigrant or dependent fails to provide such emigrant or dependent with food, lodging, clothing and medical treatment, or to send him back as required by Rule 17 or 18, the Magistrate or Embarkation Agent or the Superintendent of Emigration in Calcutta may order such Agent or person to pay such sum as is necessary to provide such food, lodging, clothing and medical treatment, or to defray the cost of the return journey of such emigrant or dependent, as the case may be, to the place from which he came, and on failure for twenty-four hours of such Agent or person to comply with such order, he may pay the sum specified in the order to or on behalf of such emigrant or dependent, and recover the amount from the Agent.

20. In the event of an emigrant or dependent dying on the journey by road to any railway station on the way to the labour district, the Agent or his employé shall arrange promptly for the disposal of the dead body in a suitable manner. If he fails to do so, the District Magistrate, or any one appointed by the District Magistrate in that behalf, or the Superintendent of Emigration in Calcutta, may dispose of the dead body, and the cost shall be recoverable from the Agent.

21. If an emigrant or dependent is attacked by cholera or small-pox, he shall on recovery be supplied with clothing by the Agent on the scale provided in the case of contractors' emigrants by the rules made under Act I of 1882. The following are the conditions of sale:—

1.—The opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2.—The opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by clause 13 of these conditions of sale. The bids must advance by Rs. 5 at a time.

3.—The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4.—Each lot shall contain five chests.

5.—A Promissory Note for a sum, calculated according to the scale, noted in the margin, shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part

DEPOSIT.

When the amount bid is less than Rs. 1,200 per chest, Rs. 200 per chest.

On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.

On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.

And so on, Rs. 100 being added to the deposit for every bid additional, to the extent of Rs. 400.

of the purchasers at this Office by Bank of Bengal receipts or by substitution of other public securities of the Government of India, on or before 3-30 P.M., in the afternoon of the fifth day after the sale, provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M., or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6.—The said Promissory Notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7.—The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale, or 1-30 P.M., if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8.—No tender of money, Bank of Bengal Receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9.—The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10.—Purchasers taking out certificates or orders for the delivery of opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

11.—No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12.—The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand render at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a promissory Note would otherwise be taken under the fifth of these conditions.

13.—With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually by Rs. 5, at a time until a bid is obtained; and the first *bond fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government Superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16.—The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—No. 1, certificate of the opium advertised for sale; No. 2, report of the examination of such opium.

17.—The public are hereby informed that in providing the investment of the opium manufactured at the Patna Factory and the opium manufactured at the Ghazipur Factory for the year 1894-95, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug when packed at the Patna and Ghazipur Factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18.—Any further information respecting weight or quality of the opium advertised for sale, that may be desired by parties connected with the trade, will, as heretofore, be furnished to them on personal application at the Office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

By order of the Board of Revenue, L. P.,

E. H. WALSH,
Offg. Secretary.
